

Valneva is a biotech company developing and commercializing vaccines for infectious diseases with major unmet needs. Valneva's portfolio includes two commercial vaccines for travelers, one for the prevention of Japanese encephalitis and one for the prevention of cholera, and has various vaccines in development including a unique vaccine against Lyme disease.

To enhance our team, we are looking for a **Junior Scientist** (m/f) for our Clinical Serology Department.

Your Responsibilities:

- Development and validation of immunological assays
- Assay performance, planning, analysis, review, as well as assay maintenance and trouble shooting
- Supervision of GCLP-compliant immunogenicity testing for clinical trials (scientific, technical and organizational aspects)
- Writing technical protocols/reports and other GxP documentation
- Evaluation and presentation of data
- Establish and maintain collaborations with external partners

Your Qualifications:

- PhD or Post Doc in the fields of Immunology, Virology and/or Microbiology
- Hands-on experience on immunological/biological assays/analytical methods (e.g. ELISA, cell based assays, HPLC)
- Knowledge in development of assays
- Experience in an GxP environment is a plus
- Excellent analytical/problem solving skills
- Strong organizational and communication skills
- Fluent English
- Good presentation techniques
- Able and used to work under time pressure on multiple projects in a changing environment

Our Offer:

- Open, appreciative company culture with innovative spirit and attractive assignments
- International surrounding with flat hierarchies
- Good team spirit in a strong and highly motivated team
- Wide range of benefits

Due to legal reasons we are obliged to disclose the minimum salary for this position, which is € 32.873,- gross per year based on full-time employment. However our salaries are market oriented and in line with your qualifications and experience.

If you are interested in this challenging position, please send your application (**Ref.Nr. 11222-19-03-vbc**) to the Human Resources Department: applications.hr.vie@valneva.com
